

BATHMAX™

Multi-Purpose Cleaner for Tub, Tile and Restroom Surfaces

Superior formula for quick, easy no-rinse cleaning of all restroom surfaces, including tile floors, walls, backsplashes, plumbing fixtures, dividers, sinks, toilet bowls, etc. Contains a powerful blend of surfactants, solvents and odor control additives. Non-acid formula is safe for use on fixtures made of polished chrome, brass or other metals. Also excellent for glass surfaces, marble, porcelain, and plastic. Concentrated and economical to use. Clean, fresh fragrance.

Directions for Use

For daily cleaning, mix 1-2 ounces of this product per gallon of warm water. Dilute manually or at a Mixing Station set at 128-64:1. Apply solution liberally to surface, agitate with a clean mop, sponge or rag. For shower room floors and walls, scrub with a deck brush for best results. Allow several minutes contact time to penetrate and dissolve soils, then rinse completely. For heavy buildup of soap scum, dilute at 6-12 ounces per gallon of warm water.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.
