

# GRID IRON™

## Heavy Duty Thickened Foaming Oven & Grill Cleaner

This product dissolves tough deposits of built-up grease and carbon on fryers, grills, stoves, exhaust fans, hoods, filters and barbecues. Fortified with high concentrations of solvents, surfactants, and powerful alkalis for unsurpassed penetration and removal of stubborn soils. Thickened foaming formula extends contact time and cleaning performance on vertical surfaces. Non-flammable. Not recommended for use on aluminum, tin, pewter, or other non-ferrous or galvanized metals.

### Directions for Use

**Ovens and Grills:** Scrape heavy food deposits from surface to be cleaned. Heat oven or grill to about 130°F--do not heat above 160°F as violent splattering may occur. Apply this product at full strength to interior oven walls and other surfaces to be cleaned. Use a foaming sprayer to maximize foaming and reduce irritation from vapor. Apply liberally to surface and allow several minutes contact time to penetrate soils. Scrub with a rag, sponge or brush. Use a non-abrasive pad for stubborn soil deposits. Flush surface with vinegar or mild acid solution to neutralize alkalinity, then rinse completely with clean water. Re-coat promptly with cooking oil.

**Deep Fat Fryers:** Drain oil and remove food debris. Fill with water to grease line, then add 28-32 ounces of this product. Bring to a low boil for 15-20 minutes, then allow to cool. Drain fryer, scrub any remaining food deposits, neutralize with vinegar or a mild acid solution, then drain, rinse with water and re-fill with cooking oil.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.crown-chem.com](http://www.crown-chem.com).

### Technical Specifications

Appearance	Yellow Liquid
Odor	Lemon
pH (1% solution, 22°C)	>13.0
Foaming	High
Flash Point	None
Density (lbs/gal, 22°C)	9.4 ±0.1
Stability Range	50-100°F
Free Alkalinity (as Na <sub>2</sub> O)	>7.0%
Solubility (in H <sub>2</sub> O, 22°C)	100%
Phosphate Content (as P)	None

### Product Number

17412  
17441

### Packaging

12x1 qt. case\*  
4x1 gal. case

\*One sprayer included per case
