

# PANORAMA™

## Cleans & Polishes

A superb foaming aerosol cleaner and polish for all glass surfaces, including windows, mirrors, windshields, chandeliers, computer screens, TV screens, etc. Also an excellent cleaner for most non-porous surfaces, including tile, formica, porcelain, plastic, stainless steel, brass, chrome, and much more. Produces a foaming action which clings to vertical surfaces and improves cleaning performance. Dries streak free, leaving surfaces shiny and crystal clean. Pleasant lingering fragrance.

### Directions for Use

Remove protective cap. Hold can upright about 8-12 inches away from surface to be cleaned. Point valve opening toward surface and press button. Spray on foaming mist and wipe clean. Do not overuse. Clean with one cloth and polish with a separate clean, dry cloth.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.crown-chem.com](http://www.crown-chem.com).
