

Enzyme Fortified

ULTRASOIL-OUT™

Soil Emulsifying Institutional Laundry Detergent

A super-concentrated, controlled sudsing laundry detergent fortified with enzymes and solvents for outstanding soil and stain removal. Excellent for food and beverage linens, hotel sheets and other applications where stain removal is needed. Superior formula contains a powerful system of surfactants and solvents which penetrates and dissolves tough soils. Ideal for the most challenging institutional and industrial laundry requirements. Designed for automatic injection systems. Suspends and removes soils while brightening and retaining color. Safe on most laundry washable fabrics when used as directed. Excellent for prespotting stains or spots, or for presoaking soiled linen. Fresh citrus fragrance.

Directions for Use

Automatic Injection - The amount of this product to be used will vary according to the load size, soil type and amount, water conditions, and other factors. Your Service Representative will analyze these variables and set up dispensing equipment and usage concentration accordingly. In general, use 3 to 6 ounces of this product per 50 lbs. of load size where normal soil levels and water conditions are present.

When laundering delicate fabrics such as wool or silk, follow the manufacturer's label instructions.

Pre-Spotting - Apply this product at full strength to stain before washing. Agitate with a soft brush. Allow detergent several minutes to penetrate soils, then wash as usual.

Presoaking - To prepare a presoak solution, dilute 1-2 ounces of this product per gallon of warm water. Soak for 15 minutes or longer, overnight if possible. Wash as usual.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Green Liquid
Odor	Citrus
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	>200°F
Bulk Density (lbs/gal, 22°C)	8.68 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	Moderate
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None
Enzyme Content	≥10,000 ppm
